

CHAMPAGNE R. POUILLON *& fils*

Mareuil Rouge

Deep red in aspect, with aromas of blackberry underscored by light oaky and vanilla notes. A wine that will pair well with all types of meat dishes.

Long maceration for 18 days, hand crafted in oak barrels without filtration to preserve the character of this magnificent wine. (A slight sediment may appear, this is quite natural and has no effect on the quality of the wine). Serve lightly chilled at around 13°C.

A wine which is perfect for all meat dishes.
